

Year-round Volunteer Application Form

A Year-round volunteer is a person who may not desire to commit to being a full-time board member, yet is willing to give more of their time than a regular volunteer. This would involve behind-the-scene activities throughout the year that make the store possible during the month of December. We would be contacting you throughout the year to help us with the activities listed below.

The following is an idea of tasks. Please check the one(s) you would be interested in helping with and provide your contact information below. You do not need to be available for all the volunteer opportunities to be a "Year-round Volunteer."

_____ In the first three months of the year we do the majority of our buying. We can use help with buying, boxing and inventorying the gifts. This means you would be available as needed a number of times during the week and on weekends.

_____ The Silvertips have a toy drive for Christmas House each year during November and December and we can use help at the games handing out information and collecting donated toys. There are 5 evening games.

_____ We need helpers to pick up and drop off donations that come in during the year. You would need your own vehicle and pay for your own gas.

_____ When the store is open, we can use helpers every day in the back helping directors unpack and stock the gift tables, up front with computers, and other jobs as assigned.
