

# Thank You

To the many businesses, organizations, individuals and volunteers who helped Christmas House serve 3,345 families and 9,858 children in 2012.

## CHRISTMAS HOUSE 2012 SANTA HELPERS!

Christmas House would like to extend a special "thank you" to the Everett Boys & Girls Club, the Everett Silvertips and Pacific Power Batteries for truly making a difference this past holiday season. The Everett Boys & Girls Club generously provided "our home" in their gymnasium at 2316-12th Street in north Everett. The Silvertips spearheaded fundraising at several hockey games that generated thousands of dollars of support from generous fans. And finally, Pacific Power Batteries donated thousands of batteries that powered all the toys in need of batteries.
